PROFESSIONAL EXPERIENCE

Titan Digital, Costa Rica (remote): *Web Developer*

Junio del 2022–Present

Creation and maintenance of websites built in wordpress, creating custom features for websites and improving performance in the clients websites.

EDUCATION

Universidad Nacional de Costa Rica, Business administration

2013 - 2018

Additionally, I hold a Bachelor's degree in Business Administration, which has equipped me with a strong foundation in strategic thinking, problem-solving, and a holistic understanding of business operations, complimenting my technical expertise in web development. This interdisciplinary background allows me to approach projects with a well-rounded perspective, ensuring not only technical excellence but also business-driven solutions.

Universidad Nacional de Costa Rica, Intermediate Integrated English

2018 - 2019

Enhancing my communication skills and proficiency in English. This course has enriched my ability to engage effectively in a professional context, fostering clearer communication and facilitating seamless collaboration within multicultural environments.

PROFESSIONAL CERTIFICATES

Frontend web development, Platzi

2021 -2022

React JS, Udemy

2023 - Present
